

Dear colleagues!

We look forward to welcoming you at the annual **VI International Baltic Maritime Forum (BMF)** which will be held on September 3-6, 2018 in Kaliningrad at the premises of Kaliningrad State Technical University and Baltic Fishing Fleet State Academy.

The Forum is organized by Kaliningrad State Technical University with the support of the Federal Agency for Fisheries and the Government of the Kaliningrad region.

The following conferences will be held in the framework of VI Baltic Maritime Forum:

- XVI International scientific conference «Innovations in science, education and entrepreneurship-2018»;
- VI International scientific conference «Marine technology and engineering. Safety of the marine industry»;
- VII International research and practical conference «Food and marine biotechnology»;
- V National scientific conference «Innovations in functional food technology»;
- IV International scientific conference «Innovations in vocational, general and further education»;
- VI All-Russian scientific conference «Aquatic bioresources, aquaculture and ecology of water reservoirs»;
- IV International scientific conference «Advanced technologies, machines and mechanisms in engineering and construction»;
- IV International conference «Innovative enterprise-2018»;
- Round-table discussion «Advanced technologies in transport».

Business part of the programme consists of a plenary session, conferences, workshops, expert sessions, round table discussions, and exhibition.

Registration fee is 2500 rubles, and includes a participant pack and publication in the online collection of articles included in Russian Science Citation Index (RSCI) research database.

Best reports on marine issues according to the decision of the Organizing Committees of the Forum will be published in a special issue of the journal [«Marine Intelligent Technologies»](#) included in the list of Higher Attestation Commission and the international reference database Web of Science, as well as in the relevant sections of [«Izvestiya KGTU»](#), [«Izvestiya BGARF»](#) journals.

Official languages of the Forum are Russian and English.

Deadlines: payment of registration fee– 01.08.2018; submission of papers– 10.07.2018.

Participation in the Forum must be supported by compulsory registration on <http://bmf.klgtu.ru/>.

More information about the Forum events can be found [on KSTU website](#).
